About ABES Engineering College

“ABESEC is the leading institution in AKTU. It has achieved excellence in academics by consistently securing the First position for consecutively 6 semesters in University academic result. The placement records for the year 2017-18 are the highest with 1200+ job offers for Engineering and Management students.

Mr. Ved Prakash Goel, founder of the institution started this journey in 1999 with a belief to provide the best quality of education to young minds in Technology & Management. The ABESEC family welcomes the students with a promise to deliver the best guidance to shape their career.”

ABESEC is affiliated to AKTU Lucknow and is approved by AICTE and Ministry of HRD, Government of India. The college is ISO 9001:2008 certified. The programs offered by the institution include various verticals under Bachelor of Technology (B.Tech) i.e., Computer Science & Engineering, Information Technology, Electronics Communication Engineering, Mechanical Engineering, Electrical & Electronics Engineering and Civil Engineering. The college is accredited by NAAC and The programmes (CSE, ECE, EN and IT) are accredited by NBA. The post graduate courses include MBA, MCA and M.Tech.

We at ABES EC are committed to widening the frontiers of knowledge and strongly believe that research oriented activities through projects must necessarily form an integral and important part of our academic pursuits. A pragmatic, dynamic, global, high-quality, creative and communicative approach in education has been adopted towards building a pool of budding Technocrats and Managers.

5th International Conference on Computational Intelligence and Communication Technology CICT-2019

22nd - 23rd February, 2019

Organized by

Estd. 2000

Department of Computer Science & Engineering
ABES Engineering College, Ghaziabad

NAAC Accredited & NBA Accredited Branches (CSE, ECE, EN & IT)

[College Code: 032]

About the Conference

This is the 5th time, the department of Computer Science and Engineering is organizing International Conference on Computational Intelligence and Communication Technology. CICT-2019 will bring new prospect for collaboration across disciplines and gain ideas facilitating novel breakthrough. The theme for this conference is innovating and inspiring the researchers to adopt the outcome for implementation. This conference provides an exceptional platform to the researchers to meet and discuss the utmost solutions, scientific results and methods in solving intriguing problems with people that are actively involved in these evergreen fields.

CICT History :

CICT-2015 received over 550 research papers from 12 countries out of which 170 papers were selected and published.

CICT-2016 received over 500 research papers and about 141 papers were selected and uploaded to www.ieeeexplore.org.

In 3rd Conference **CICT-2017** we received 360 submissions from around 662 authors of 15 different countries. Each submission was rigorously reviewed by at least two reviewers with an average of 2.07 per reviewer. 128 high quality papers were selected for publication.

Then **CICT-2018** received around 230 submissions from around 550 authors. On the basis of quality reviews, 59 high quality papers were selected with an acceptance rate of 25.6%.

Call for Papers

Authors are cordially invited to submit papers through on line paper submission process (Easy Chair submission system) before 25th December, 2018. Research contributions are solicited in all areas pertinent to the conference theme and including the following:

- **Intelligent Computational Science & Engineering**
- **Intelligent Communications & Networking**
- **Interdisciplinary & Humanitarian Engineering**
- **Web & Informatics**
- **Intelligent Hardware & Software Design**
- **Distributed And Parallel Processing**
- **Advance Software Engineering**
- **Computer Graphics And Multimedia**
- **Advanced Database Management Systems**
- **Bio Informatics**

Best Paper Presentation Award

There is a Best Paper Presentation Award in each session which is an e-gift voucher for the value of EUR 150 provided by Springer Nature through which awardees can purchase the Springer Books along with certificate.

Schedule for Papers

The prospective contributors are requested to submit MS-Word electronic version of their papers in Springer format by the due date through on-line paper submission process (Easy chair submission system). Authors are requested to follow paper submission link given below:
