Declaration

I understand that I am being admitted in the hostel on my request and at my risk and the hostel administration will not be responsible for any mishap whatsoever, if unfortunately occurs during my stay in the Hostel. I will deposit the hostel fees and any other charges when asked by the Institution as per the prevailing rule.

I declare that I'll not be involved directly or indirectly in any act of **RAGGING, Indiscipline, Unethical Behaviour, Smoking, Consuming Alcohol or any Intoxicant including Tobacco product etc.** I'll be liable to the punishment and may be expelled without any prior information from the hostel and will not claim my hostel dues and mess charges from college authority, if I am found guilty.

Indulgence in ragging is a cognizable offence. Ragging is a menace that no civilized society can accept. The college authorities take a serious view of any unethical conduct by the students, which affects the physique or psyche of fellow students. Authorities will not let any act of ragging go unnoticed. Supreme Court has instructed that those involved in ragging should be given harsh & exemplary punishment.

Due to various anti- ragging measures taken by the college in the past, no untoward incident was reported in the previous sessions. All efforts will be made to ensure that our institution continues to be a zero – ragging college.

Hostel facility is a privilege not a right, it will be based on overall performance of the students. **If the academic performance of the student deteriorates, the institution reserves full right to withdraw the hostel facility.**
